| Opening up a world of opportunity

We reduced our Product Switch window

We updated our lending policy to reduce our Product Switch window from 180 days to **90 days**.

To minimise the impact to your customer, we will be making incremental system reductions on our Broker Platform when keying a Product Switch application to:

- **150** days from early April
- **120** days from early May
- **90** days from early June
